

CUNY, Stop Breaking Our Hearts!

Give Us Time with Our Families!

Give Us Time with Our Families!

Dear Chancellor Goldstein:

It is an outrage that CUNY does not provide a single day of paid parental or family leave. As a member of the CUNY community, I urge you to agree to the Professional Staff Congress's demand for paid parental/family leave. CUNY faculty and staff should not have to choose between having a family and having a career. CUNY cannot recruit and retain the top-quality faculty and staff we need if it cannot compete with other universities that do offer paid family leave. Join the 21st century, CUNY—provide paid family leave!
